Budget Worksheet

ALABAMA A&M UNIVERSITY OFFICE OF INTERNATIONAL PROGRAMS STUDY ABROAD COSTS/RESOURCES WORKSHEET

This form is for use in estimating the costs for study abroad and the financial resources available to fund them. Consider the length of your study abroad program (part of the academic year or all of the academic year), the number of times you are likely to travel to and from your home to your host campus, and the cultural and geographic opportunities you would like to take advantage of while on exchange. Note that tuition, fees, room, and meals frequently increase from 5-15 percent per year. Financial aid while on exchange may vary from that which is currently received. Please consider the currency exchange rates when estimating financial resources.
